Skills

Photoshop, Illustrator, InDesign, ImageReady, Final Cut Pro, snowboarding and photography.

Experience

2005 - Ongoing

Freelance Graphic Designer

Working for myself was one of the most rewarding things I could do. I learned a lot about my own ingenuity when the success of a project rested solely on my head. I am responsible for the whole gamut; concept, design, production and traffic management.

- Indulge - Logo design.

2005 - 2008

Weise Communications DENVER, CO

Art Director

In a small agency you have to wear a lot of hats. I was not only the art director, but also the production artist, traffic manager, client liaison and vendor coordinator.

- The Prostate Cancer Foundation - Designed annual report.
- The Alternative Board - Developed corporate branding.

Education

2008 - 2010

VCU Brandcenter RICHMOND, VA

M.S. Mass Communications

Concentration: Art Direction

1999 - 2003

University of Colorado BOULDER, CO

B.S. in Journalism and Mass Communications

Graduated with Honors

Specialization: Advertising

Outside Emphasis: Psychology

Activities

Pro Bono Work Habitat for Humanity, Namlo International
and Global Hope

Volunteer Work The Bridge Street Project

Interests

Passion for 1960's design drives my desire to re-build anywhere between a 1964 ½ -1968 Ford Mustang coupe. *Discover Magazine* feeds my addiction for astronomy and I will read all the classics in my lifetime. I also create hand carved prints that support one of the most underappreciated art forms of all- letter writing.
